

Eligibility Verification Standard

Verify coverage instantly across all payers

Confirm patient eligibility and benefits in real time with Inovalon's Eligibility Verification Standard™. This solution gives you fast, automated access to detailed insurance and benefit data from thousands of payers including commercial plans, Medicare, Medicaid, Medicare Advantage, and Medicare supplements.

Save and reuse eligibility request types, apply filters by payer, and streamline your team's workflow. Easy-to-use dashboards help you run real-time transactions as well as upload batches and run change reports.
